NOTA  
*Kozmetik*

We took the step to turn our 10 years of accumulated knowledge and experience in the cosmetics industry into reality by establishing Nota Kozmetik in 2021. From the inception of the company, we have operated with a vision to produce high-quality and competitive products alongside our expert and experienced team in the industry. By gaining the trust of our customers, we have focused on developing our existing brands and innovating new projects with fresh ideas.

Since the beginning, we have played a significant role in developing and producing products for national companies. In addition to our own brands, we meticulously produce the products of the national companies we collaborate with, adhering to quality standards.

We continuously expand our product range to meet our customers' expectations and provide them with the best service. By actively maintaining a presence in both domestic and international markets, we aim to solidify our position in the industry and continue to grow.

From the day we started, we have managed our business with principles of honesty, quality, and customer satisfaction. We remain open to changes and developments in the industry, always striving for better as we move forward.

## **WHO WE ARE**

With a focus speed, flexibility and providing high quality products at competitive prices, Nota Kozmetik has grown to become Turkey's qualified exporter of perfumes and air freshener products.

## **NOTA KOZMETİK'S PRODUCTS**

Nota Kozmetik manufactures products that are Cruelty-free and fully compliant with European, FDA and international Regulations.

Product Capabilities include:

Fragrance - Home Fragrance - Men's Grooming Products

## **SUSTAINABILITY AT THE HEART OF WHATEVER WE DO**

We aim to achieve long term returns and create positive impact for environment, planet and our customers.

## **BEST IN CLASS PRODUCT QUALITY**

Nota Kozmetik is fully committed to transparency at every stage of production, from sourcing raw materials through to packing. This dedication not only optimises efficiency but also ensures the highest standards of quality control.

Nota Kozmetik manufactures all products according to European Quality Standards and GMP, with a wide range of high quality, multi-functional filling lines and labelling machines. Nota Kozmetik can produce tailored products to meet the needs of Beauty brands through to mass market retailers.
